2024

Let us not forget their sacrifice.

April is the Month of the Military Child, a time to celebrate military children and their parents. The Defense Department (DOD) and other organizations join forces to celebrate military children, who face many challenges and unique experiences due to their parents' service. Military families often move every two to three years, which can impact their children's schools and support networks

POW PRISONERS-OF-WAR /MIA MISSING-IN-ACTION

More than 80,000 American Service Personnel are missing from previous conflicts and wars.

This year is the 36th Anniversary Ride and Demonstration in support of POW/MIA and Veterans' Issues. In 2024, the priority remains the same:

We seek accountability - the return of living POW's and when that is not possible - the repatriation of their remains. We further advocate the same for all MIA.

Mission Statement

The Major function of Rolling Thunder®, Inc. is to publicize the POW-MIA issue. To educate the public that many American Prisoners of War were left behind after all previous wars and to help correct the past and protect future Veterans from being left behind should they become Prisoners of War Missing In Action. We are also committed to helping American Veterans from all wars.

Rolling Thunder®, Inc. is a non-profit organization, and everyone donates his or her time because they believe in the POW/MIA issue.

Stamp Out Mailbox Fishing!

**If you're mailing checks, money orders, or tax returns,
protect yourself from mailbox fishing and check fraud:**

- Drop mail containing checks **inside** the post office to ensure that your mail is not stolen from a mailbox.
- When writing checks, use **permanent ink** that cannot be erased.
- Check your **account balance** frequently to ensure that the proper amount is debited.
- If you see anyone tampering with a mailbox, report it **immediately** to 911.

NYPD

The NYPD logo is positioned in the bottom right corner of the poster. It consists of the letters "NYPD" in a bold, blue, sans-serif font. Above the logo, there is a large, stylized blue graphic that resembles a T-shaped structure or a set of legs, with a black foot visible in the center.

The Scam:

Beware of door-to-door roofing scammers who may be impersonating a certified contractor. If they don't find pre-existing wear and tear, they may intentionally cause damage to your roof in order to defraud you.

How to avoid roofing scams:

- Beware of unsolicited offers.
- Avoid uninvited contractors.
- Don't make an immediate decision.
- Verify legitimacy of roofing company by calling 311.
- Research roofing companies and get multiple estimates before you hire.
- Immediately report any suspicious activity to the NYPD by calling 911.

A person or a business must have a Home Improvement Contractor License to do construction, repair, remodeling, or other home improvement work to any residential land or building in NYC. For more information dial 311 to contact the NYC Department of Consumer and Worker Protection.
