HERO to HERO AWARD

Last year, Medal of Honor recipient, Father Vincent Capodanno was the first military veteran to receive the Hero to Hero award along with Firefighter, Stephen Siller. Every year, we will honor a firefighter and a Veteran. This award recognizes a firefighter who gave his or her life in the line of duty and an American military hero who also made the ultimate sacrifice while protecting our country. The 2012 award will be posthumously awarded to Staten Islander, USMC Sgt. Angel Mendez, a Navy Cross recipient for his heroism in Viet Nam, and FDNY Firefighter, Lt. John Martinson, who lost his life searching for victims during a 2008 blaze in Crown Heights, Brooklyn.

This year, the Siller TTT Foundation and the Gary Sinise Foundation are in the process of building specially adapted smart homes from coast to coast for eleven of our brave service-men who have severe injuries and special needs. In New York, we're building smart homes for U.S. Army SPC Bryan Dilberian of Brooklyn and Air Force Tech Sgt. Joe Wilkinson of Albany, so that they and their families can live comfortably.
